

Dear Friend:

Miller Ecological Park Foundation is sponsoring the fourth annual Lebanon Oktoberfest to be held in Downtown Lebanon on October 14, 2017. Thanks to the community, and our sponsors, after three successful Oktoberfest's we were able to achieve our fundraising goal of completing the Nature Playscape at Miller Ecological Park. The Playscape is the central feature in the 97 acre Miller Ecological Park, featuring an amphitheater, a snow sledding hill, and various play areas. This playscape is unique to all of Warren County and has proven to be a tremendous asset for the community. We are now in the position of raising funds crucial to maintaining the park; this includes continuing to restore habitat areas and expanding the trail system. **All proceeds from the Lebanon Oktoberfest will go towards raising money for maintaining the Nature Playscape and the natural habitat in Miller Ecological Park.** For more information about Miller Ecological Park, please visit www.millerecopark.org
